13 April 2012

**PROPOSED TELSTRA TOWER**

Dear Residents,

I am writing to bring your attention to the information you may have received from Telstra concerning a proposed Telecommunications Tower at 72 Klumpp Road, Upper Mt Gravatt. (Park 'n' Ride)

Telstra will be holding a public information session with respect to this proposal and I would encourage you to attend this forum and have your say.

This is an initial community session being held by Telstra and any proposed development would require an Impact Assessable Application under the *Brisbane City Plan 2000*.

As your local Councillor, I will be attending this meeting as I have some questions and I encourage you to do the same.

At this time, Telstra have not submitted a Development Application to Council and are holding this meeting to ascertain the public sentiment before proceeding further.

***The information session will be held on Wednesday 18 April 2012 at the Mt Gravatt Hawks Soccer Club, Klumpp Road, Upper Mt Gravatt. The information session is open to all community members to drop in anytime between 5.00pm and 7.30pm.***

If you have any other enquiries please don't hesitate to call the Ward Office on 3403 7791 or by email [wishart.ward@ecn.net.au](mailto:wishart.ward@ecn.net.au)

Kind regards

Krista Adams  
Councillor for Wishart
